In re Application of	:

Application No. 09/835,884	:	ON PETITION
Filed: April 16, 2001	:	
Attorney Docket No. N/A	:	

This is a decision on the petition under 37 CFR 1.137(b), filed May 23, 2005, to revive the above-identified application.

In response to the final Office action mailed January 2, 2003, petitioner hereby submits \$750 for the petition to revive fee, \$395 for the filing of a Request for Continued Examination (RCE), an Oath/Declaration with power of attorney and the statement of unintentional delay.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement.

Since petitioner has met the requirements to revive this application, pursuant to 37 CFR 1.137(b), the petition is **GRANTED**.

The Oath/Declaration, filed May 23, 2005, which contains a new power of attorney has been made of record.

The application file is being referred to Technology Center Art Unit 2673, for processing the Request for Continued Examination under 37 CFR 1.114, and for further review of the previously filed amendment.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
